Dear Ms. Goforth:

Thank you for formalizing your request for an extended review and comment period regarding the Rosemont Copper Project Draft Environmental Impact Statement. The Forest agrees to an extension of three additional weeks and looks forward to receiving your comments by February 22, 2012.

Mindee Roth, Project Manager, will also work with your office to schedule a conference call to discuss your general findings and to detail the actions the Forest is currently taking in response to previous comments from cooperating agencies and your office. Ms. Roth can be reached at (520) 388-8319 or mroth@fs.fed.us. I know Carter Jessop of your staff have been in regular contact with Mindee Roth regarding this project and the analysis process. I appreciate the ongoing professional cooperation of the U. S. Environmental Protection Agency in this matter.

Sincerely,

JIM URCHURCH
